HR & Crew Management Conference 27 January 2011

Marstal Navigationssskole's new initiative in Singapore

## Marstal Navigationssskole

- Marnav Pte. Ltd. is a subsidiary of Marstal Navigationssskole, a Danish nautical training institute combining state-of-the-art education with the proud tradition of its long history
- Officially opened in 1860

## Marstal Navigationssskole

- Today more students than ever

## Marstal Navigationssskole

## PURPOSE

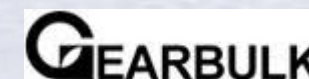

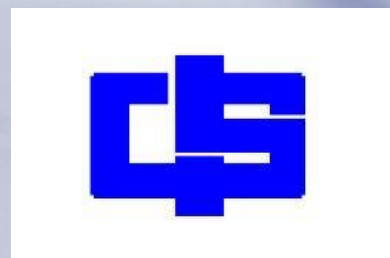

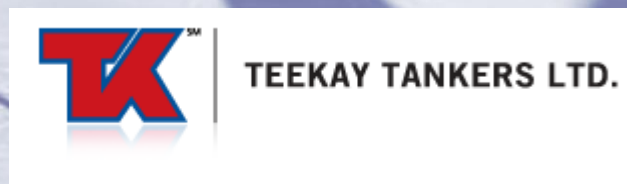

Many Danish shipping companies have branch offices in Singapore

## PURPOSE

And of course, Singapore is much more than Danish shipping

## Marnav Pte. Ltd

Marnav Pte. Ltd. is set up as an independent entity with a General Manager responsible for the daily operation.

Drawing on the vast resources available at Marstal Navigationssskole Marnav Pte. Ltd offers nearly the same range of supplementary courses.

## Challenges

- Do we want to do this?
- Can we handle it?
- How?
- Has it been done before?

## Challenges

- The paperwork?

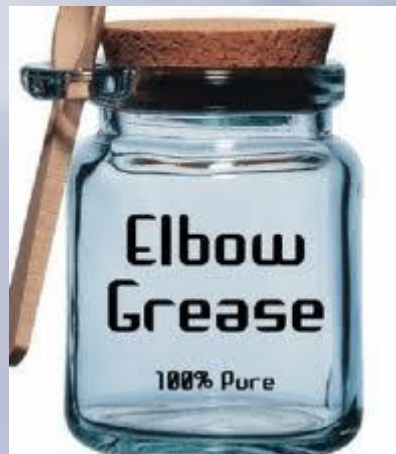

## Challenges

The culture?

## Challenges

Go out and sell and use this:

Thank you!

Q & A
